

PROSPECTIVE INTERNATIONAL STUDENTS INTERESTED IN APPLYING FOR STUDENT VISA (M-1 AND F-1)

Thank you for your interest in attending Interactive College of Technology, with campuses located in metropolitan Atlanta, Georgia; Houston, Texas; and Newport, Kentucky (near Cincinnati, Ohio).

2017 represents the 35th year of the college's operation, serving students from all over the world. Currently, students are enrolled from more than one-hundred-twenty countries.

A number of students are enrolled in our comprehensive English as a Second Language program, and upon completion, may move to other universities to study fields not offered at our institutions.

A second group is enrolled in the English as a Second Language program and will continue their studies in one of our Associate of Science Degree programs.

A third group of students are enrolled in the Associate of Science Degree, and may or may not be taking English classes in preparation.

Regardless of your academic objective, the College will work with you and your family/sponsor to assist in achieving your goal(s).

On our website, links are provided to find additional information regarding the academic programs, tuition rates, and other pertinent college policies, including the admissions process and requirements.

We look forward to seeing you on campus.
