# Greetings, Students

We are very pleased to announce the launch of **Campus Ivy**, a new automated online financial aid packaging and processing system for all Title IV (Federal Aid).  This means our students will now have in-person, as well as virtual access, to his/her financial aid information.

Of course, you are always welcome to visit your Financial Planning Office for in-person customer/student assistance.

---

**HOW CAMPUS IVY BENEFITS YOU:**

- Student Portal - - Where you can communicate with your Planner and see all your Financial Aid information.  To set up your student portal Click this link https://ict.campusivy.com/apps/core/account/login to access the student portal page. Follow the Forgot Password link on the login screen (It will ask for a couple of details and then prompt you to set a new password).

  Once registration is complete, login into the student portal by visiting ICT.edu website under the Student Services tab (Student Services - Interactive College of Technology (ict.edu))

-  Communication will be via your personal email provided at enrollment, and we will also add your ICT email address.

- You can upload information as requested / needed and save a trip to the Financial Aid Office.

- You can electronically sign your financial aid estimate virtually - - with the click of a button or communicate through text message.

- You can post questions that go directly to your Financial Aid Planner.

---

As a part of your upcoming registration, you will visit your Financial Aid Planner as a step in this transition process.

Starting this month, you will begin receiving notifications and information through **Campus Ivy**. We know there will be questions and challenges as we take the step towards this new technology.  Please know the staff are here to help along the way.

Thank you again for choosing to study at Interactive College of Technology.  May your experience exceed all expectations.

Regards,

Elmer R. Smith
